Vol 2, JULY, 2022

Dear Parents and Students,

As we traverse across the current academic year, we proudly present to you a snapshot of the events that have taken place in the month of **JULY**.

## FRENCH NATIONAL DAY

On **8<sup>th</sup> July, 2022**, DIS celebrated **French National Day** with much fanfare. A special assembly was conducted entirely in French under the aegis of the Language Department led by the French teacher, Ms.Ashna.

This was followed by an enthusiastic song and dance ensemble in French by the students of Grades 8 and 9. The *pièce de résistance*, however, proved to be the special dance number performed by our very own Language Department teachers.

The event concluded in the afternoon with numerous contests, like flag making, poster/chart making and house-wise bulletin board competitions for Grades 1 to 12.

### RED DAY

The tiny tots (LKG & UKG) of Dawn observed **Red Day** on **20<sup>th</sup> July, 2022**. It was an awe-inspiring 'sight for sore eyes' to behold our preschoolers up on the stage - all decked up in red finery with bright, lively and cheerful faces.

The momentous event was convened to introduce our tiny tots into the mesmerising realm of colours. In consideration, the stage was adorned with red umbrellas and balloons. Also, students performed on an action song titled 'My Red Balloon,' followed by a Show-and-Tell activity.

### A TRIBUTE TO THE MISSILE MAN OF INDIA

To commemorate the death anniversary of India's great humanitarian and aerospace scientist **Dr. A. P. J. Abdul Kalam**, DIS Science Club organised a special assembly on **25<sup>th</sup> July, 2022**.

The events concluded with the Principals - Ms. Smitha M., Ms. Rani Ranjitha, Science Club teachers and students paying a floral tribute to the great statesman and person par excellence.

On her part, Ms. Smitha M., Principal (CBSE), addressed the students on the occasion and eulogized the contributions and achievements by the 'Missile Man of India' in the field of science and technology.

DIS students, too, paid due homage by presenting a skit, which depicted the story of a young boy who chose to live his life on the values of this great exemplary leader and also shared his thoughtful quotes.

### TERM 1 EXAMINATION

*“During the exam, we become the world’s best author.”*

As part of its continuous evaluation, the school conducted the Term 1 Examination from **11<sup>th</sup> - 19<sup>th</sup> July, 2022** for both online and offline students.

### OPEN HOUSE

The first Open House for the ongoing academic year was conducted on **30<sup>th</sup> July, 2022**. Most parents attended the Parent-Teacher Meet and conferred with the subject teachers to understand their wards strengths and weaknesses a little bit better.

Parents, too, lauded the efforts of the school in the all-round development of their children, keeping true to the DIS tagline of being *“The School with a Difference.”*

## FRESHERS' DAY

After a long hiatus of two years, the school geared up to celebrate **Freshers' Day** on **27<sup>th</sup> July, 2022** to welcome the newcomers. The day was abuzz with new students and teachers stepping outside of their comfort zones to showcase their talents. Surprises were in galore, as many dark horses emerged from the variety of events that were conducted.

The school corridors resonated throughout the day with lilting tunes and the whirls and twirls of dancers, and other performances like mimicry, speech, story-telling, etc. The day was filled with fun, laughter, surprises, enthusiasm and encouragement, which was indeed a treat for the eyes.

Not to be left out, veteran student and teachers grabbed the wonderful opportunity to let their hair down and to further bond with their peers in a non-academic environment.

*Thanks for reading and so long!*
