Vol 3, AUGUST 2022

Dear Parents and Students,

Although, August, the eighth month of the Gregorian calendar, started on a rainy note, the tempo picked up as Dawnites plunged themselves into several colourful events. The month ended on a sombre and staid note as the children sat for their first Unit Tests for the current academic year.

The **THIRD ISSUE** of our newsletter gives you an in-depth detail of all that ensued in Dawn during the month. And, you can be rest assured that there are many more events lined up to keep us busy until the term end.

MEMORY TEST

“Memory is the diary that we all carry about with us,” said Oscar Wilde. Bearing this in mind, the Mathematics department of Dawn conducted the Annual Memory Test event on **Wednesday, 10th August, 2022.**

Students were divided into four categories. Categories 1 and 2 took part in an ‘Objects Memorising’ game. Twenty objects were arranged on the table by the teachers and students took three rounds around the table to recollect the objects placed within a time span of 1 min. On the contrary, Categories 3 and 4 underwent a Picture-based memory test.

INDEPENDENCE DAY

As the country geared up for ‘Azadi Ka Amrit Mahotsav,’ marking 75 years of India’s independence, Dawn, too, contributed in its humble way in the celebrations.

On **Friday, 12th August, 2022,** a special assembly was conducted by the Social Science department. This was followed by a patriotic dance and a patriotic song performance by students. Also, a live quiz competition between the three houses was conducted on stage. The curtains came down for the day with the inter-house tableau competition.

On **Monday, 15th August, 2022,** the management & staff of Dawn got together and hoisted the Tricolour on the school premises. They also sang the National Anthem. The show ended with the Dawn faculty getting together for a sprightly dance performance.

PINK DAY CELEBRATION (LKG & UKG)

“Pink isn’t just a colour, it’s an attitude,” proved the *‘kuttipattalams’* of Dawn, as they celebrated **Pink Day** with a lot of zeal and fervor. On **Tuesday, August 30th, 2022**, the munchkins of Dawn got together with their darling teachers and **tickled pink** the entire school by dressing up as **pink fashionistas**, and strutting across the stage in the **pink of health**.

Our kiddies sang and waltzed to the tune of **“Pink is the Colour of Day”** and enthusiastically participated in the Fashion Show upon a stage that was *‘pinkfully’* decorated with **pink balloons**

and **pink flamingo cut-outs**. It was a wonderful initiation and learning experience for the KG children into the world of the colour **PINK**.

UNIT TEST

“The night before an exam is like a night before Christmas. You can’t sleep and yet hope for a miracle too!”

Big or small, Tests & Exams help every teacher to understand the mental capacity of the students and to rectify their shortcomings. For this, DIS conducted its first Unit Tests for the year from 22nd-30th July, 2022 for both online and offline students.

PEARSON EDEXCEL IGCSE EXAM

“Everything was going perfect, then the exam comes.”

And making matters worse, the students will opine, is the agonising wait for the outcome of the same results.

However, at this point, Dawn wishes to specially commend Ira, Ken, Norah, Rohit, Sameera & Zara for their outstanding performances and bringing laurels to this institution. Congratulations once again and God bless you!!
